Subject: Amplifying information/documentation showing Damage caused by:  
Verification, Inc. to support my claim...

Dear your Honor/Class Administrator,

I also had an opportunity to be one of eight (8) Candidates [out of an application pool of over 1,000+ applicants] selected to participate in a very prestigious Troops-2-Teacher program being offered at my Graduate School (Florida Atlantic University). The program is called, "F.I.T." and that stands for: First Introduction into Teaching program. However, I lost my opportunity to take advantage of such a program because I could Not get background clearance from Verification, Inc. I (of course) passed the "Live-Scan" check, but my application approval was voided due to inaccurate information on my background check provided by Verifications, Inc. **\*Enclosed is my documentation...**

**In conclusion, I, Tracy Harris would like to be included as a  
testifying witness in any court proceeding(s) concerning this case! I can  
be reached via cellphone: (561) 860 - 3079; or of course via my personal email:  
trajiggy@yahoo.com . Please forward me any and all information concerning  
court dates; as I am formally requesting to testify and attend the hearings.  
Thank you in advance for your time, attention and cooperation in this matter!**  
Very Respectfully yours,

Mr. Tracy Harris, USN (R)
